

Sara Riel Inc., established by the Grey Nuns of Manitoba, is a charitable organization offering a variety of mental health services.

We are inspired by Saint Marguerite d'Youville, foundress of the Grey Nuns, who revealed God's compassionate love by serving the poor and the needy. We assert our belief in the dignity and self-worth of each person.

**Our Values are:**

- **Compassion** We serve with patience and care.
- **Integrity** We act justly and ethically in a spirit of honesty.
- **Collaboration** We work in partnership, dialogue and shared purpose.
- **Dependability** We are accountable and responsible in our attitude, behavior and actions.
- **Innovation** We strive to provide leadership by responding creatively to emerging mental health needs within the community.
